Our private rooms at our **Allen**, **Plano** and **McKinney** locations are the perfect place to celebrate birthdays, award dinners, or large family gatherings. Although our **Frisco** and **Firewheel** locations do not have a private room, we will do our best to accommodate small functions. We also cater. Just give us a call for more information or visit us at www.scottyps.com.

At Scotty P's we believe in old-fashioned quality. Our **6 oz.** (that's bigger than 1/3 pound) hamburgers are **fresh** 100% ground chuck. Our chicken is always **fresh**, never frozen. Our soups, salads, onion rings, chili, dressings, and marinates are prepared **fresh** daily using family recipes. Our crispy chicken items are breaded by hand, as you order. Our produce and cheeses are received and prepared **fresh** each morning. Our hot dogs are custom made to our families strict specifications. Even our bacon toppings are cooked and chopped by hand. And **no**, there is not a microwave in any of our stores.

Call us old fashioned...we take that as a compliment!
